

# ONION

## READY TO USE

NO SMELL – NO TEARS

### ONION COMPONENTS

### ADVANTAGES

- \* Clean Label
- \* microbiologically „sterile“ through aseptic filling
- \* mild taste – NOT bitter
- \* already steamed or reduced (caramelized)
- \* good digestibility – because steamed
- \* same quality throughout the year
- \* does not water down
- \* individual product solutions and developments possible
- \* ready-to-use and precisely measurable
- \* also available in organic quality
